**PETITIONING THE COURT****To issue a warrant.**

The probation officer believes that the offender has violated the following condition(s) of supervision:

**Violation Number**      **Nature of Noncompliance**

1      **Special Condition # 23:** You shall reside in a residential reentry center (RRC) for a period of up to 180 days. You shall abide by the rules and requirements of the facility and shall participate in programs offered by the facility at the direction of the supervising officer.

**Supporting Evidence:** On August 24, 2015, the United States Probation Office received information from the Spokane Residential Reentry Center (RRC), where Mr. Thurman is currently residing, that Mr. Thurman is being terminated from the program due to program rule violations. More specifically, Mr. Thurman has: used chewing tobacco while in the facility, and then refused to dispose of the contraband when directed; been in possession of both an "e-cig" and "male enhancement pills;" returned to the facility under the influence of alcohol at a breath alcohol concentration of .121%; and disregarded established and approved time frames for his travel away from the residential reentry center.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the offender to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
